

International Student Support Program

Selected Student: Yunqi “Ruby” Jia

Submitted by: Carola Smith

The International Student Support Program enthusiastically nominates Yunqi “Ruby” Jia as the Outstanding International Student of the Year. Ruby who is pursuing a Psychology AD-T as well as an Associate Degree in Liberal Arts & Sciences has maintained a perfect 4.0 GPA and is on track to earn Highest Honors in Sciences & Math. In addition to being a stellar academic achiever, Ruby has been a wonderful asset to the International Student Support Program. In her role as an international student peer, Ruby is professional, kind, patient, and reliable. She always goes above & beyond expectations and takes the initiative to seek out projects and to take on new challenges. Ruby is a shining star and wonderful role model for her peers!

Ruby’s Words of Gratitude:

I would like to say thank you to Sandra, Shelby, Jennifer, Mabel, Annette, Rosemary, and Nicole. Thank you for supporting my work and teaching me many new and useful skills. It is your cultivation that enables me to accumulate working experience and improve my processing ability. It also gives me the opportunity to practice my oral English and overcome my introversion. You have taught me how to be helpful, and cultivated my leadership, knowledge of social media and so on. I will apply the experience I have learned in the international student office to my future life and help more international students.
